Re: Implementation of revised N-652, Naturalization Interview Results

This will notify field offices of the issuance of an amended edition of Form N-652, Naturalization Interview Results. The new edition, bearing a revision date of January 14, 2005, includes explicit notice of applicant's rights under section 336 of the Immigration and Nationality Act in the event that the application should be denied or that a decision on the case should not be completed within 120 days of the interview.

Effective February 7, 2005, field offices may issue only the new edition of Form N-652 Notice of Interview, bearing the revision date of January 14, 2005. Prior to the implementation date each USCIS field office will have received an initial stock of the January 14, 2005 edition from Forms Center West. Additional supplies of the revised Form N-652 may be obtained from Forms Center West by the normal requisition process. Offices having the capacity to print limited runs of the N-652 for local use will be able to obtain it for that purpose in electronic file format from the USCIS intranet.

Note the code "N" on the revision date line of the new Form N-652, indicating that use of previous editions is not permitted. In order to prevent the accidental issuance of any obsolete Form N-652, any existing stocks of those forms must be destroyed not later than February 7, 2005.

Field offices are reminded that whenever an N-652 notice is issued, a duplicate must be placed in the applicant's record file. Such copies constitute an official record of the content of the notice issued to the applicant and they enable USCIS to verify that record when necessary.

Questions concerning the contents of this memorandum may be directed, through channels, to Gerard Casale, Office of Field Operations.
